*At River Island Golf Club in Oconto Falls*

Dear Oconto Falls Community Supporter,

We are pleased to announce our 7th Annual OF Area Chamber of Commerce Golf Outing. The day is packed with great golfing, refreshments on the course, prizes, dinner and tons of fun!! Funds raised are used to support various Chamber projects.

We also wish to take this opportunity to ask that you consider a hole sponsorship or "special" sponsorship as a way of supporting this event. Your sponsorship helps to ensure the financial success of the outing and supports the Oconto Falls Chamber of Commerce in its continuing mission to be a vital and dynamic link between the local businesses and citizens in Oconto Falls as well as the surrounding area. All sponsors are recognized with a sign posted at the tee and in the clubhouse, as well as other publicity.

A special fundraising event will take place the day before the golf outing along the shores of the Oconto River. At 3 p.m. on Sunday, July 26th, ducks will be released in the river where it flows through River Island Golf Club. Prizes will be awarded to the first 5 ducks to cross the finish line. A donation of \$20 will buy your rubber duck race ticket.

In addition to sponsorships, we are accepting items to be included in a raffle, which will be held in the clubhouse the day of the outing. Prizes for the winning golfers are another opportunity to support this fundraising effort.

To register for golf and/or sponsor holes, please use the enclosed forms. Forms are also available at [www.ocontofallschamber.net](http://www.ocontofallschamber.net). Please mail by July 6th to ensure your chance to participate in this very important and entertaining event. Mail all forms and donations to:
